CALL FOR PAPERS

"Making wireless communities"

The International Wireless Communications and Mobile Computing Conference (IWCMC 2011) will be held on **July 5-8, 2011** in Istanbul, Turkey. Under the theme of "*Making wireless communities*", IWCMC 2011 will target a wide spectrum of the state-of-the-art as well as emerging topics pertaining to wireless networks, wireless communications, and mobile computing. Continuing the great success of previous IWCMC events, IWCMC 2011 is anticipated to attract a large number of high-quality submissions and stimulate the cutting-edge research discussions among many academic pioneering researchers/scientists and industrial engineers/leaders from all around the world.
